Tiny blue agates rimmed in gold adorn the fanciful Eudora wall sconce like a brooch befitting a southern lady of the stature its name implies. Adding to the jewelry-like feel of the three-light fixture, the wrought iron frame has been treated to an antique gold leaf finish. Measuring 15.75" wide by 5.5" deep by 24.6" high, the lovely combination of the blue and gold, as well as the formal shape of the sconce juxtaposed against the earthy cut stones, bring this design its specialness.
